Sub: INSTALLATIONS- Oil engine for a rice huller
Grant of permission - Instructions solicited

Ref: Application dated 5-9-1953 from Sri K. Chandrashekar Shetty of Kavarady village, Coondapur Taluk

59912

On referring an application from one Sri K. Chandrashekar Shetty of Kavarady village, Coondapur Taluk, for the grant of permission for the installation of an oil engine for the purpose of a rice huller, to the District Health Officer, South Kanara for remarks with regard to the suitability of the site for the purpose from the public health point of view, the District Health Officer, South Kanara has intimated that the permission applied for is not recommended pending instructions from the Government in the matter and that licence may not be granted for the purpose at present. He further states that the Hon'ble Minister for Health informed him that licences for rice oil installations should not be given pending receipt further instructions from Government.

2. I therefore request to be informed as to whether the Government are contemplating imposition of any restrictions with regard to the issue of permission for the installation of oil engines for the purpose of rice hullers and if so, I request that the Government may be pleased to issue necessary instructions in the matter at an early date.

Subj:- Civil Supplies - Rice Mills, South Kanara Dist. - Opening of new rice mills - Instructions

Ref:- from the Dist. Bd, South Kanara. Dy. No C3. 20745/53 d. 23/4/54

Please see the letter from the South Kanara Dist. Bd at P 1/F enquiring whether the Govt are contemplating to impose a ban on the opening of new rice mills.

2. With a view to encourage the hand pounding of paddy, the Govt on 10/12/49 imposed a ban on the issue of licences to new rice mills anywhere in this State. On June 1950, the expansion of the existing rice mills was also banned with the launching of the policy of decontrol in foodgrains in June 1952, the question of continuing the two bans referred to above was examined and it was decided that it was not necessary to continue them. Accordingly, the bans were lifted. The Govt have now considered the question of reimposing the ban on the issue of licences to rice mills in the Dt of South Kanara and Malabar, where the hand pounding industry is a home industry and have decided that a

(to E. F. Railway)

from on the issue of licences to new rice mills in this dty should be imposed. They have also decided that the expansion of the existing rice mills in these two dty should also be banned. To give effect to the above decisions, the M.R. M.L. Order, 1951, has to be suitably amended and the executive instructions should be issued. The G.O.I have been addressed for their concurrence to amend the M.R.M. Order, 1951 and their reply is awaited. In the OA, action in this file may lie over till the M.R. M.L. Order, 1951, is amended and executive instructions are issued. It does not seem necessary to send any reply to the S. Kanara Bd at this stage. For orders.

The Special Officer

6/5/54 may perhaps be informed that the question is separately under consideration of the Govt. and that orders will be issued shortly.
